## General Information

**Erin Skyring, Ski Club Coordinator**  
**2023-2024 Ski Club is Back!**  
**Now we just need the snow!**

If you joined us last year, by the end of the season we had a well-oiled machine. Here's hoping that this new year maintains that momentum.

Mt. Brighton has changed some of their rules (mostly regarding cancellations), so we might have to be a bit more strict with payments/charges, but besides that, I think it is still going to be an awesome program for us.

Right now, the goal is to start Ski Club in December... if, of course, there is enough snow on the mountain. Mt. Brighton is planning to open on Dec 2. Our Ski Club day will be on Fridays, so mark your calendars.

### **Fridays**

December 08

January 12, 19, 26

February 02, 09, 16, 23

March 01 (if we have enough snow.) :)

### **RSVP**

Essentially, we will need to let Mt. Brighton know our final headcount on Monday morning for the Friday ski. They will need to know if we need lift tickets, equipment rentals, and/or ski lessons. Once we commit to that Friday number, we cannot change it. This is different from last year. Last year we weren't charged for unused lift tickets. This year we will be charged. They can accommodate emergency cancellations, but they need 48 hour notice.

### **Lessons**

The ski lessons are provided for Beginners. Last year, we had a bunch of kiddos who rocked the Beginner ski lessons and worked their way to the chair lift by the end of the lessons. I reached out to Mt. Brighton, and they are willing to give us a Beginner+ lesson. This would be designed for kiddos who aren't quite ready to ski on their own, but are ready to move to the chair lifts. You can select what lesson your kiddo wants/needs each week.

### **Costs**

For visits Monday – Friday, starting after 3:00 PM:

Lift Tickets: \$39/person

Ski or Snowboard Rental (includes helmet): \$28/person

Helmet Only Rental: \$12/person

1 Hour Group Lesson: \$20/person (All lessons begin at 6:00 PM)
