Attention St. Pat’s Families!

We are having a

Used Uniform Swap

Monday, August 28: 6pm @ Meet the Teacher Night

Take this opportunity to clean the extra uniforms out of your closets and get the sizes you need for the new school year! Here’s how it works:

- Look for uniform pieces or spirit wear you don’t need any more and are in GOOD condition. **Please do not bring any that are worn out, torn, or stained.** Put a piece of masking tape or label with its size on it. Bring them to the gym next Monday from 9am – 12pm or between 5:00 and 5:30pm. We need them by 5:30 in order to sort them.

- **Leave** any items you are done with for whoever can use them.

- **Take** any items you can use this year.

This is an easy way to swap gently used uniforms!!
