

St. Patrick School

Mrs. Lori Rozum - Kindergarten Teacher
lrozum@stpatschool.org

Dear Kindergarten Families,

I am very proud to be a teacher at St. Patrick School. Teaching kindergarten is my passion!! I am extremely blessed for this incredible opportunity.

This is my fourteenth year as a teacher. I have mostly taught my absolute favorite age level, which is kindergarten. 2015-2016 was my first year teaching at St. Patrick School. Prior, I taught for Wayne-Westland Community Schools. I received my undergraduate degree from Western Michigan University in elementary education with minors in math, science, and English. I earned my masters degree from Madonna University in learning disabilities with an early childhood concentration.

My heart belongs to Catholic schools. I attended St. Robert Bellarmine School for elementary and middle school. Then, I attended Ladywood High School. In fact, I love St. Patrick School so much that my oldest child attends school here too. I am looking forward to my youngest son entering kindergarten in a few more years. My husband, who attended St. Michael School and Catholic Central, and I are excited for their journey at this incredible school too.

I am tremendously excited for your child to begin their journey in kindergarten!! I am eager to help your child grow socially, academically, and spiritually.

Love,
Mrs. Lori Rozum
