

Lunch/Recess Program

St. Patrick School
2020-21 School Year

General Guidelines

LUNCH ROOM

Each class (homeroom) will be assigned to one of 5 seating areas in the gym (A1, A2, B1, B2, B3). Tables will be set up with proper distancing and the students will be with their cohort only. As students enter the gym:

- Those with bag lunch will proceed directly to their seating section.
- Hot lunch will be divided into two lines at separate windows (one for each classroom)
 - Students will take their ID card from the chart (one slot per child) and touchless scan for hot lunch purchase.
- The gym will be set up so that class lines will not cross over between the lunch lines and their seating areas.
- There will be one lunch monitor per seating section and two overall supervisors fully trained in our safety protocols.

Each grade will enter a few minutes apart allowing time to retrieve lunches and be seated (for grades JK-6).

Grades 7 and 8 are scheduled to eat at the same time, but will be separated by homeroom for serving lunch and seating.

General Guidelines

RECESS

Each class (homeroom) will be assigned to one of 4 areas.

- Blacktop 1 and 2
- Playground 1 and 2
- JK and K will alternate between blacktop space and the fenced playground
- While in Phase 4, students will remain within their assigned areas for the recess period. Recess locations will change each day.
- Students with Recess before Lunch
 - Will be allowed to rotate in small groups through the restrooms (by class) to wash hands before lunch.
 - Bag lunches will be stationed individually in the gym by class on tables for the students to take to their seating area.

L= Lunch before Recess

Each class will have a recess monitor and there will be two recess monitors assigned to oversee the entire area each day. All have been fully trained.

Cleanliness and Safety

1 | Hand Washing

There are hand sanitizing stations throughout the entire school. There are two at the gym entrance and two free-standing in the gym lobby. Students will also access in small groups (restrooms near the gym lobby for hand washing).

2 | Masks (Gaiters)

While in the common areas (gym lobby and hallways) we will ask all students to wear their masks. They will remove their masks when seated to eat and when they reach their recess location.

3 | Lunch Tables

Lunch tables and seats will be cleaned between each seating. Students will place their lunches from home in an individual bin which will be cleaned between each use.

There will be separate seating areas for students with allergies.

Important Change:

NOTE: Hot lunch will not start until September 8.

This year, lunch orders will be placed online. This order form link and school lunch menu will be placed in every St. Pats newsletter as well as on our website. We ask that all hot lunch orders be placed using the online “hot lunch order form” by the Friday before the upcoming week. This spreadsheet will go directly to our kitchen staff and help with ordering and preparation. Due to a budget analysis of our hot lunch program, there will be an increase in the hot lunch cost from \$3.00 to \$3.50. Below is sample menu and order form.
