

Dear Students and Parents,

We hope you will enjoy your summer break with your friends and family. We also hope you will spend some time reading every day. In an effort to help you read more often and to create the habit of reading for pleasure, we have developed a summer reading requirement for incoming fifth, sixth, seventh, and eighth graders.

We ask that you read a minimum of two books this summer. All books should be of an appropriately challenging reading level for you. Do not read a book that you have previously read.

Reading teachers will take grades for summer reading. Please print and fully complete the attached ELEMENTS OF PLOT DIAGRAM for each of your 2 novels.

We ask that this page be signed by a parent, stapled to the diagrams and turned in during our first week of school.

Happy Reading!
